To Whom It May Concern,

I had the pleasure of working with Gergely Varga and Shooteasy Budapest during a shoot for Travel Channel USA last week (March 22nd – 29th) and I couldn't have been more pleased or impressed with the results.

From helping book several locations to going above and beyond when it came to aiding us in all facets of production, I can honestly say we never would have been able to produce this episode without the help of Gergely Varga and Shooteasy Budapest.

I would recommend Gergely Varga and Shooteasy Budapest to anyone in the Hungary area for all types of production and would be honored to provide any reference detailing just what an amazing job he did.

As someone who has worked in the entertainment business for over 15 years, the level of professionalism and quick solution ideas Gergely offered throughout our five days was far above the norm here in Hollywood and invaluable to our production.

Sincerely,
