To Whom It May Concern

I have been producing US television series around the world for over 15 years and Gergely Varga is one of the very best fixers I have found. Budgets, creative, logistics... he does it all.

I had the pleasure of working with him during the shoot for Booze Traveler for Travel Channel.

If you need a local producer in Hungary, Gergely Varga is your guy.

Sincerely,

Mike Gattanella

Emmy-winning producer

(HBO, Showtime, FOX, National Geographic, Vice.com, I.D, Animal Planet, Travel Channel, Discovery)
